2-in-1 orgasms - Double up with clit and G-spot love.
Gently insert the body-safe egg internally for G-spot stimulation. Double up the pleasure by positioning the flexible wand against the clitoris.

Go two at a time - Let the love egg and tail fill you up.

Glide both the flexible tail and love egg inside for maximum G-spot stimulation and incredible orgasms.

Bump and grind - Use the tail and egg for better orgasms.

Slide the flexible tail inside and grind your clitoris against the egg for dual stimulation.

RECHARGING INSTRUCTIONS

- Attach the magnetic USB head to the toy instructed below, and plug in to USB power source.
- The light will be constant while the product is charging.
- When fully charged the light will flash.
- The toy will complete its charge in around 1 and a half hours.
- For optimal performance fully charge the product before your first use.
- Remove magnetic head from toy and disconnect from power source once charging is completed.

CHARGING YOUR N1

- **(A)** Before you first use, please charge the product fully.
- **(B)** Once charged the LED light will flash continuously, the product can now be unplugged and used.

USING YOUR N1

- To activate the **N1** and remote press button **(C)** or **(D)** for 3 seconds. When the remote is paired with the **N1** the LED light will flash.
- Once both units are paired you can control the **N1** and cycle up through the 10 settings using the remote pressing button **(C)** to operate the egg motor, or button **(D)** to operate the tail motor.
- The **(C)** button on the **N1** also controls both motors through the settings at the same time.
- To turn the **N1** and the remote off, press & hold button **(C)** or **(D)** for 3 seconds.
- Memory function remembers the last setting used when product is turned back on.

(FRE) NIYA UN

VIBRATOR CARE INSTRUCTIONS

Take care when using the vibrator for the first time, vibration can be intense

1. Clean your vibrator after every use.
2. Take care when cleaning your vibrator remember it is an electrical item, moisture can damage the product and also react with the batteries.
3. Keep your vibrator clean and dry, store in a dry place, moisture can damage batteries and motor.
4. Always store your vibrator separately, different materials have different chemical configurations and may react with each other.
5. Always allow your vibrator to cool down before storing in a safe place, vibrators are electrical and motors get warm with use.
6. Excessive usage of the vibrator will wear out the motor and may cause the motor to over heat. If you feel your vibrator is getting unduly hot, switch off and allow it to cool down, before continuing to use.

RECHARGEABLE PRODUCTS INSTRUCTIONS ON CHARGING

- The product has a USB lead for charging, you can insert it into a computers USB port.
- The product may be partially charged on purchase but we recommend a full charging cycle before use. Charge the battery for at least 40 minutes before use.
- BE PATIENT - Do not switch on or use your vibrator during this first charging session, as this may affect the battery capacity.

RECHARGEABLE BATTERY INFORMATION

This product contains a Lithium Rechargeable Battery Pack. If battery leakage occurs, stop using immediately and avoid contact with skin. If skin contact occurs, immediately wash the area thoroughly with warm soapy water. If liquid leakage comes into contact with eyes or body tissue, immediately flush thoroughly with water and see a doctor. Treat this product with care to avoid battery leakage, combustion and explosion. Do not expose the battery pack to excessive physical shock. Do not take apart or attempt to repair the vibrator or battery. Do not touch the terminals of the vibrator with any metal objects.

WARNING

- To avoid injury or aggravation of pre-existing conditions, this device should not be used on swollen calves or unexplained calf pain.
- If you are unsure or pregnant – please consult a doctor before use.
- By following these simple guidelines we are sure your new sex toy will give you great pleasure many times.
- Please retain all packaging since it contains important information.
- THIS IS NOT A CHILDREN’S TOY – ADULT USE ONLY.
- Not for use by persons under the age of 18.

IMPORTANT INFORMATION

This product must only be used with the charging device and cable supplied. Do not use the product when it is plugged in for charging. The power supply and vibrator should be regularly examined for damage. In the event of damage, do not use. Only operate when fully charged in accordance with instructions. Always store the adapter or charging unit and any associated cables in a dry place. Always charge this product in a dry place. Always disconnect from the power supply before cleaning this product. Sold as a novelty only, no medical claims are warranted or implied with the use of this product. Warning for vibrating products: To avoid injury or aggravation of pre-existing conditions, this product should not be used on swollen or inflamed areas or skin lacerations.

This product is guaranteed for 12 months from date and proof of purchase. For use in water up to 1 meter depth for up to 30 mins. Caution : If the product is used in close contact with high power water jets (such as a jacuzzi) or has been left fully submerged for an extended period, it may extensively damage or effect the enjoyment and longevity of the product.

Product Information:

Brand: **Niya**

Product Name: **N1**

Barcode: **811041015256**

Batch Code: **SO**

SKU Code: **10NIYA1BU**

Description: **Rechargeable Kegel Massager**

Consumer Category: **Over 18's**

PRODUCT DESIGN:

External Vaginal Stimulation: Yes

Internal Vaginal Stimulation: Yes

Anal Stimulation: No

Penile Rings: No

Penile Stimulation: No

Number of buttons on the product: 2 to turn on/off and to cycle through the functions.

Hold button for 3 seconds to turn on/off

Waterproof – tested for use in water up to 1 Metre depth for up to 30 minutes under IPX7

TECHNICAL:

Is the product rechargeable: Yes

Method of charging: Magnetic charging cable

Lithium-Ion Polymer Batteries: Yes

Number of Batteries inside the product: 1

Number of Batteries inside the remote: 1

Number of product settings/functions: 10

Material Composition: ABS Plastic / Silicone

Reference packaging instructions Included

ELECTRICAL SAFETY:

Only use the recommended type of battery stated on the package.

Batteries must be inserted with the correct polarity

Do not use rechargeable batteries

Please refer to instructions included

Battery Type: Lithium-Ion

Product Battery Model Number: 802030

Remote Battery Model Number: 601230

Operating voltage: 3.7 Volts

Lithium-Ion battery includes overcharge protection

WARNINGS:

Sharp edges and points tested to EN 71-1

Not a children's toy

Not for use by persons under the age of 18

To avoid injury or aggravation of pre-existing conditions, this toy should not be used on swollen calves or unexplained calf pain

Remove batteries before cleaning
