VIBRATOR CARE INSTRUCTIONS

Take care when using the vibrator for the first time, vibration can be intense

1. Clean your vibrator after every use.
2. Take care when cleaning your vibrator remember it is an electrical item, moisture can damage the product and also react with the batteries.
3. Keep your vibrator clean and dry, store in a dry place, moisture can damage batteries and motor.
4. Always store your vibrator separately, different materials have different chemical configurations and may react with each other.
5. Always allow your vibrator to cool down before storing in a safe place, vibrators are electrical and motors get warm with use.
6. Excessive usage of the vibrator will wear out the motor and may cause the motor to over heat. If you feel your vibrator is getting unduly hot, switch off and allow it to cool down, before continuing to use.

RECHARGEABLE PRODUCTS INSTRUCTIONS ON CHARGING

- The product has a USB lead for charging, you can insert it into a computers USB port.
- The product may be partially charged on purchase but we recommend a full charging cycle before use. Charge the battery for at least 40 minutes before use.
- BE PATIENT - Do not switch on or use your vibrator during this first charging session, as this may affect the battery capacity.

RECHARGEABLE BATTERY INFORMATION

This product contains a Lithium Rechargeable Battery Pack. If battery leakage occurs, stop using immediately and avoid contact with skin. If skin contact occurs, immediately wash the area thoroughly with warm soapy water. If liquid leakage comes into contact with eyes or body tissue, immediately flush thoroughly with water and see a doctor. Treat this product with care to avoid battery leakage, combustion and explosion. Do not expose the battery pack to excessive physical shock. Do not take apart or attempt to repair the vibrator or battery. Do not touch the terminals of the vibrator with any metal objects.

WARNING

- To avoid injury or aggravation of pre-existing conditions, this device should not be used on swollen calves or unexplained calf pain.
- If you are unsure or pregnant – please consult a doctor before use.
- By following these simple guidelines we are sure your new sex toy will give you great pleasure many times.
- Please retain all packaging since it contains important information.
- THIS IS NOT A CHILDREN'S TOY – ADULT USE ONLY.
- Not for use by persons under the age of 18.

IMPORTANT INFORMATION

This product must only be used with the charging device and cable supplied. Do not use the product when it is plugged in for charging. The power supply and vibrator should be regularly examined for damage. In the event of damage, do not use. Only operate when fully charged in accordance with instructions. Always store the adapter or charging unit and any associated cables in a dry place. Always charge this product in a dry place. Always disconnect from the power supply before cleaning this product. Sold as a novelty only, no medical claims are warranted or implied with the use of this product. Warning for vibrating products: To avoid injury or aggravation of pre-existing conditions, this product should not be used on swollen or inflamed areas or skin lacerations.

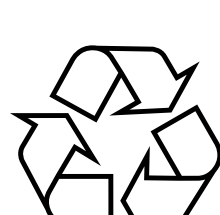

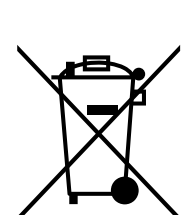

This product is guaranteed for 12 months from date and proof of purchase. For use in water up to 1 meter depth for up to 30 mins. Caution : If the product is used in close contact with high power water jets (such as a jacuzzi) or has been left fully submerged for an extended period, it may extensively damage or effect the enjoyment and longevity of the product.

WEEE:

This product is classified as Electrical and Electronic Equipment. Should the time come for you to dispose of this product, please ensure that you do so in accordance with the European Waste of Electrical and Electronic Equipment (WEEE) Directive and compliance with local laws relating to this directive.

N3-THE PRECISION POINT MASSAGER TOY SAFETY ASSESSMENT

Product Information:

Brand: **Niya**

Product Name: **N3**

Barcode: **811041015249**

Batch Code: **SO**

SKU Code: **10NIYA3BU**

Description: **Rechargeable Precision Point Massager**

Consumer Category: **Over 18's**

PRODUCT DESIGN:

External Vaginal Stimulation: Yes

Internal Vaginal Stimulation: Yes

Anal Stimulation: No

Penile Rings: No

Penile Stimulation: No

Number of buttons on the product: 2 to turn on/off and to cycle through the functions.

Hold button for 3 seconds to turn on/off

Waterproof - tested for use in water up to 1 Metre depth for up to 30 minutes under IPX7

TECHNICAL:

Is the product rechargeable: Yes

Method of charging: Magnetic charging cable

Lithium-Ion Polymer Batteries: Yes

Number of Batteries inside the product: 1

Number of product settings/functions: 10

Material Composition: ABS Plastic / Silicone

Reference packaging instructions Included

ELECTRICAL SAFETY:

Only use the recommended type of battery stated on the package.

Batteries must be inserted with the correct polarity

Do not use rechargeable batteries

Please refer to instructions included

Battery Type: Lithium-Ion

Product Battery Model Number: 802030

Operating voltage: 3.7 Volts

Lithium-Ion battery includes overcharge protection

WARNINGS:

Sharp edges and points tested to EN 71-1

Not a children's toy

Not for use by persons under the age of 18

To avoid injury or aggravation of pre-existing conditions, this toy should not be used on swollen calves or unexplained calf pain

Remove batteries before cleaning

POSSIBLE EFFECTS ON OTHER PRODUCTS:
